EVENTS AT GALLERY KLOOSTER

Gallery Klooster in the former 'Church at Sea' is located at a 100 meters from the beach, at walking distance from the major hotels in charming coastal village Noordwijk.

The venue is styled and furnished with contemporary art, design furniture and lighting from renowned painters, photographers and designers. Klooster is also an art gallery and interior design shop.

Our gallery offers 600m<sup>2</sup> event space. The entrance is formed by an historical building - a former chapel - which is 200 m<sup>2</sup>. Behind the chapel is a larger auditorium of 400 m<sup>2</sup>. Gallery Klooster can host groups varying in size from 20 up to 350 guests.

A great advantage of this venue is the possibility to choose a styling concept of your liking. We characterize these concepts with names like: 'Club Salon', 'Formal Features' or simply 'White Space'. Klooster has several pre developed programs available and styling concepts like these. Of course every event can also be organized completely tailor made.
